This review is from: [Cliques, Hicks, and Ugly Sticks \(The Confessions of April Grace\) \(Paperback\)](#)

This is second in the Confessions of April Grace series. It's a story about a young girl and her opinions about life, told from her perspective. She seeks to follow God and be the kind of person she knows He wants her to be, but has a tendency to let her own fears or opinions get in the way. There isn't much spiritual content, mostly just April's opinions on life. There is definitely religious content though. April's family attends Church and is very involved there. And the Church reaches out and shows kindness to a couple who has been staying with April's family. Colossians 3:17 - And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.
