★★★★☆ **Great for young adults...**, December 5, 2011

This review is from: [Cliques, Hicks, and Ugly Sticks \(The Confessions of April Grace\) \(Paperback\)](#)

Geared toward young adults (classified as Juvenile Fiction/Religious/Christian/Humorous), I wasn't sure what type of a read this would be for me, but I decided to review it none the less!

While the beginning was a slow start for me, I did manage my way through after taking breaks to read more age appropriate material for myself! April Grace is a young lady in 6th grade, so at times it was a tad hard to relate to her, after all, my middle school days are long past!

The author does a great job of writing through the eyes of April, and if I were a young adult, this would be a book I would enjoy reading! So if you are looking for a Christmas gift for your teen girl, make sure to add this item to your cart!

I am going to give this book two different ratings:

3 stars for the adult reader, and 4 stars for the juvenile reader (ranking it 4 stars overall since it is a juvenile book)

I received this book free from the publisher. I was not required to write a positive review.
