REAL NAME

**This review is from: In Front of God and Everybody (The Confessions of April Grace) (Paperback)**

A great book! Fun to read, exciting, and just the right amount of humorous anecdotes mixed in with the advice every coming of age youngster needs.

April Grace goes through a series of comedic learning experiences including dealing with the snobby new neighbors to going on a date with her grandmother. This book makes 80's in the Ozarks sound like the perfect place and time to live.

Through April's experience the reader learns important life lessons, such as the ever important golden rule. You can see the positive influence God has on April and her family and all of those who come into contact with them.

I laughed my way through this book, enjoying every page. I would strongly recommend this book to any preteen and their parents.
